### **Thirty percent of RSIPF received 5 Step Mindset training**

About 30 percent of the Royal Solomon Island Police Force (RSIPF) have received 5 step mindset training programs which were coordinated, conducted and delivered by Solomon Island Police Support Program (SIPSP).

The 5 step mindset training has now been delivered across every province within the Solomon Islands. The training will be continued to be delivered in the coming months to RSIPF officers across the Solomon Islands.

New Zealand Police attached to the SIPSP have developed a 5 Step Mindset training program for the Royal Solomon Island Police Force.

New Zealand (NZ) Police working alongside RSIPF officers of the National Crime Prevention department and learning and development to develop the training package to assist the RSIPF to be the best that they can be every day.

NZ Police Team Leader (TL) Inspector Warwick McKee said the latest 5 step Mindset was conducted by SIPSP in Lata, Temotu Province for RSIPF officers recently. Our NZ Police team is committed to mentoring and assisting the RSIPF to develop their officers so they are in the best position to deliver service to the communities in Solomon Islands.

Inspector McKee said delivering the 5step mindset training across all the Provinces in the Solomon Islands will benefit the RSIPF and the communities and people they serve. A focus of the training is on Crime Prevention and reducing harm and victimisation in the communities.

TL McKee said the RSIPF are passionate and eager to learn. At this time the Mindset training has been delivered to over a quarter of all the RSIPF officers. Our goal is to ensure all of the RSIPF including all ranks and files receive this valuable training.

Operations Manager Lata Police Station, Inspector Walter Leleina said this training is well received. We want the RSIPF to be leaders across the pacific in crime prevention and service delivery to our communities.

Inspector Leleina said this training is vital for the Police in Temotu to understand how they contribute to the organisation and challenges them to have the best frame of mindset every day when they come to work.

The 5 Step mindset training program happened from 11 to 14 April 2023
